

# Meet the QTEC Team

## Sam Adelskov

Fitter / Machinist / Boilermaker

### **How and when did you first commence work with QTEC?**

I started at QTEC in the Easter of 2011. I met one of QTEC's managers through common friends.

### **Tell us about your industry and background?**

I do heavy steel fabrication and welding (boilermaker). I work on trucks, buses, and structural steel.

### **What is your current role and deliverables?**

My responsibilities include fitting, machining/fabrication and welding. I also operate machines and setting up jobs for manufacturing.

### **What do you find most exciting about working for QTEC? What do you enjoy about your role, and what is the most challenging part of your role?**

I am excited to learn to use new machinery and programming. I enjoy machine problem solving and maintenance.

### **What do you enjoy doing in your spare time?**

I love sports and spending time with my family and friends.

### **If you were down to your last \$10, what would you spend it on?**

I would buy food or drink.
