

Meet the QTEC Team

Greg Monichon

Store Person

How and when did you first commence work with QTEC?

I started working for QTEC in November of 2011. I was asked to join the company.

Tell us about your industry and background?

I was a Boilermaker at Bluescope Steel. I was also a Operations Supervisor for 28 years. After that, I worked for Wormald as a Storeman.

What is your current role and deliverables?

I am a Storeman-Packer at QTEC.

What do you find most exciting about working for QTEC?

No day is the same. I am excited to face challenges

and work with my colleagues.

What do you enjoy about your role, and what is the most challenging part of your role?

I enjoy it when I meet order commitments.

What do you enjoy doing in your spare time?

I work on model trains and play with my dog.

If you were down to your last \$10, what would you spend it on?

I would give it to my wife.
